Broken play: setter dug ball this rally

QUICK SET RULES

Set card 1-3 only

Quick Lanes:

- Lane 1 (OH)
- Lane 2 (MB)
- Lane 3 (OPP)

Single Blocker Rule:

- Only 1 blocker per quick lane
- Must blind draw from deck
- Cannot choose from hand

No Chase Rule:

- Failed quick set dig = point
- No chase attempt allowed

Tactical Advantage:

Efficient, high-pressure option

ATTACK TYPES

HIT:

- Standard power attack
- Chase allowed on failed dig

TIP:

- Soft attack (card $\leq$ tip threshold)
- No chase on failed dig

ROLL SHOT:

- Goes over block (block ignored)
- Dug like tip (uses tip threshold)
- Chase allowed on failed dig

HEAVY SPIN:

- Bypasses block (block ignored)
- No chase on failed dig

SEAM SHOT:

- Deflection = instant point

BLOCKING RULES

Attack Resolution:

Differential = Attack - Block

- ≤ -1 : STUFFED (blocker wins)
- 0-2: DEFLECT (blocker side)
- 3-4: DEFLECT (attacker side)
- 5+: KILL (attack vs dig)

Quick Set Blocking:

- 1 blocker only (blind draw)
- Cannot choose from hand

Normal Blocking:

- Choose cards from hand
- Up to max blockers per lane

Attack Card Parity:

- ODD attack $\rightarrow$ block ODD cards
- EVEN attack $\rightarrow$ block EVEN cards

CHASE RULES

Chase Triggered When:

- Failed dig on HIT or ROLL SHOT
- Not triggered on failed tip
- Not triggered on quick sets
- Not triggered on heavy spin

Two Chase Attempts:

1. Adjacent player chase
2. Setter/Libero chase

Chase Outcomes:

- ARMED: Dig $\geq$ target
 $\rightarrow$ Chase team attacks
- FREE BALL: Armed requirements not met $\rightarrow$ continue rally
- FAILED: Total $<$ target
 $\rightarrow$ Attacker wins point

DECK MAKEUP

Player vs Dummy card distribution

Player Deck (standard):

1x1 2x2 3x3 4x4 5x4 6x4 7x4 8x3 9x2 10x1

Low 36% · Mid 29% · High 36%

Dummy Deck (blind-play):

1x2 2x2 3x2 4x3 5x2 6x2 7x4 8x5 9x4 10x2

Low 32% · Mid 14% · High 54%

Why different decks?

- Dummy teams do blind flips (no hand selection)
- Extra high cards keep dummy teams competitive
